

61. Barr Rd.

25. 1. 69

Dear Mr. Green.

Isn't there something wrong with the direction of your "hatching" on the plan when compared with the "key"?

If the Freedom Rd area beyond Barr Rd is to be affected in 1971-1975 as you said the other night, shouldn't the hatching go  & not ? Also please check - I don't think you should reproduce an Ordnance Map without permission - I may be wrong.

I've been out tonight & found half the people I called on were out.

Mrs Holmes - 139 Freedom Rd -
Will show a poster & could
help with a little clerical
work & could attend helpers
meeting.

Robinson of 8th Laundry St. would
show poster & attend helpers
meeting subject to being on
the night shift at work.

Moore - 106 Hoole St - out.
Woolley Motors - out.

Have - Have had another
look at plan. If hatching is
correct - Freedom Rd etc
should be 1976-80 which agrees
with Mrs. Holmes' information.
It would then be that the

hatching of the part of the board
adjoining Berkendale would appear
to be wrong.

Sincerely yours

Elsie Collett
